Attorney Primo updated the board as to the status of the annexation application submitted by Robert C. Raimondo, owner of tax map parcel #068.-02-02.0. He stated he has spoken with Mr. Thomas Douglas and has learned that he is still interested in moving forward with the application even though the property owner has submitted a letter to the board indicating the contract with Mr. Douglas Thomas has expired. Attorney Primo stated he has directed Mr. Douglas to submit an environmental assessment form and to contact the village engineer in order to proceed. Attorney Primo has also learned there is a second developer interested in a senior living project for this property so recommends the board consider leaving the public hearing open until December 19, 2011 to see what transpires in the next two weeks.
