News from the Mayor

Our village will celebrate its Centennial in 2013 ...
Where does the time go!

I hope you are able to join us on Friday, January 25th to kick
off a year of celebration by attending our open house
beginning at 5:00 p.m. and formal ceremony at 7:00 p.m.

During our open house we will share a look back in time with
displays furnished by our Historical Association. Throughout
the building you will find exhibits from village departments,
supporting agencies and local village businesses. Musical
entertainment will be provided by Tom Reitano and the Minoa
Elementary 4th & 5th grade chorus.

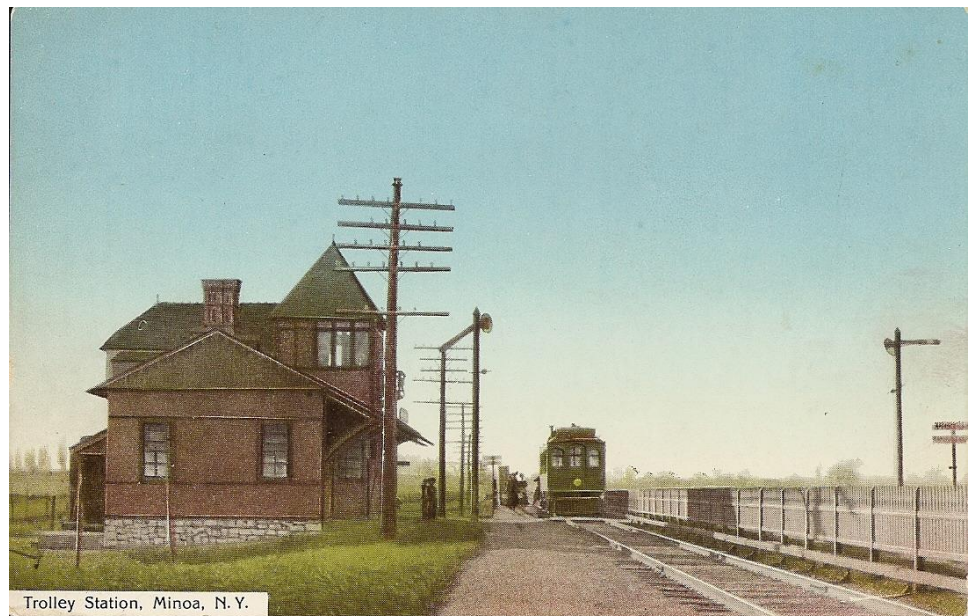

Members of the City of Syracuse Highland Pipe Band will participate in our Centennial
Ceremony and local political dignitaries will join us to honor our historic milestone.

I would like to thank the East Syracuse-Minoa Culinary Class for providing us with cake and
cupcakes and to Trappers II of Minoa and UNO Chicago Grill in Fayetteville for holding
fund raising events to help offset some of the cost of our celebration year.

With the help of East Syracuse-Minoa Transportation Department and St. Mary's we are
able to provide event parking at the Parish Center with two free shuttle buses running to
and from the event.

Finally, always remember "what happens in the Village today is tomorrow's history".

Mayor Dick Donovan

A Word from your Trustees

William F. Brazill
Deputy Mayor

It is an honor to serve as your Deputy Mayor and 2012 has been an interesting year for the Village of Minoa.

In 2013 we will be celebrating our 100th Anniversary as a Village. We will be having different events honoring our Village throughout the year. Our first event will be on January 25th at the Municipal Building at 5:00 – 7:00 with an open house and formal ceremony starting at 7:00.

It has been an exciting year in Minoa. We have had new businesses open this year such as Pave the Way Daycare, Happy Wok Restaurant and coming soon Parkway Liquor. We now have over 23 businesses in our Village. (See a list of businesses on the next page)

Minoa Farms continues to grow. We are now more than half way done with this development. Once it's complete, there will be 284 new homes in our Village.

We will be starting our annual budget process in February. We are working with every Department Head to find ways to maintain our Village services and trim cost where necessary. This is a challenging task due to the loss of our sales tax revenue from Onondaga County. (over \$300,000 per year)

I welcome your input and comments and encourage attendance at our Board meetings which are held on the first and third Monday of each month. I can be reached by email at wbrazill@villageofminoa.com

As always, I will continue to be fiscally responsible and always look for more efficient ways to run our government. As your Deputy Mayor, I will continue to work hard and resolve the issues that face our Village. Have a great year!!!!

John M. Abbott
Trustee

It's great to have become a new member of the Village of Minoa board, to which I was elected in April of 2012. I have been in now for eight months and I'm enjoying the challenge very much. This will be my first full year as a Village Trustee and I'll do my very best!

A couple of my duties as a Trustee include the Town of Manlius Police committee where we work with the Police Department to make it a better place for our Village residents, I also change the sign down at Lewis Park to keep our residents up to date on our current events in and out of the Village, and I also help out with our Village of Minoa Library.

2013 will be bringing up new challenges for the Village Board to make Minoa a great place to live and raise your family; in January 2013 the Village of Minoa will be celebrating its 100th Anniversary which will bring many events to the village for our residents to enjoy.

I would like to thank the residents in the village for the opportunity to be Trustee and if you have any questions or concerns you may contact me at jabbott@villageofminoa.com or at 656-3100. My goals are to continue to make the village a great place to live and raise a family. I hope that each and every one of you has a great year in 2013 and I look forward to seeing all of you during the course of the next coming year.

A Word from your Trustees

Eric S. Christensen
Trustee

It's hard to believe that 2012 is now behind us, it certainly has brought a lot of challenges for the entire country and for our Village of Minoa. Some of my village responsibilities as your village trustee include Celebrations along with Deputy Mayor Brazill and fellow Trustee's Abbott and Champagne. I am also board liaison to the Department of Public Works which includes garbage pickup, disposal and recycling and the village's historical association. We are asking for photographs, scrapbooks, newspaper articles, or any other documents pertaining to Minoa's History. We need the help of Village residents to preserve our history for the next generation.

2013 promises to be another year full of challenges, but also full of opportunities that will make our village an even better place to live and raise our families. I welcome any suggestions or comments from the residents of the Village of Minoa. As always we welcome residents to attend our village board meetings. My goal as your village trustee is to continue to find ways to save our village money without compromising service to the residents and to preserve the integrity of our village.

If you have any questions or concerns please contact me at 656-3100 or by email at echristensen@villageofminoa.com.

John H. Champagne
Trustee

I am looking forward to working with and for all of the people in the Village of Minoa this New Year. As liaison for the Wastewater Treatment Plant / Cleanwater Education and Research Facility (CERF) we are continuing to have great success with the help from ESM High School students and SUNY ESF.

I would like to say Congratulations to Steve Giarrusso! He is the Village of Minoa Chief Operator, Biologist of the (WWTF) Wastewater Treatment Facility and (CERF) He was selected to receive an award for NYRWA 2012-Operator of the Year. As well as the Water Environment Federation (WEF) William D. Hatfield Award this is awarded to an operator of Wastewater Plant for their prestigious outstanding performance and professionalism.

My Village of Minoa responsibilities include: Wastewater Treatment Plant and Cleanwater Education and Research Facility (CERF), Security Camera Systems, Communications, Web-Site, Celebrations, Easter Egg Hunt, Halloween Party and Emergency Disaster Preparedness Planner for my Departments.

I would welcome any suggestions or comments you think will help our community be a better place to live and you can contact me at jchampagne@villageofminoa.com. I hope everyone has a safe and healthy New Year.

The Historical Society needs your Help

Some of our residents have already contributed ideas and written stories of memories of their hometown. If our Historical Society is to remain viable, we need input for new stories, people to feature, and any pictures or memories you may wish to share. If you have any scrapbooks, newspaper articles, or any other documents mentioning Minoa please contact us at 656-3100.

Remember, that is where your history comes from. Please help us....Or perhaps you might like to join us!

New York State recently passed a **law** on electronics (e-waste) disposal. This Extended Producer Responsibility Law makes household, school and small business e-waste a free item to recycle, if the items are taken back through a manufacturer designated recycling program.

The Village of Minoa is a designated site. Leave your E Waste out on trash day or bring it down to the DPW for disposal.

Under this law, e-waste includes:

- **Televisions** (as well as cathode ray tubes)
- **Computers**
- **Computer Peripherals*** (Monitors, Keyboards, Mice or Similar Pointing Devices, Facsimile Machines, Document Scanners, Printers)
- **Small Electronic Equipment*** (VCRs, Digital Video Recorders, Portable Digital Music Players, DVD Players, Digital Converter Boxes, Cable or Satellite Receivers, Electronic or Video Game Consoles, etc.)
